Information about Organizing III Student Conference

On June 18, 2018, the School of Health Sciences and Public Health of the University of Georgia and Student's Scientific Board conducts the III Student Conference on "**Healthcare +**".

Sessions of the Conference:

1. Actual issues of medicine.
2. Actual issues of dentistry.
3. Actual issues of pharmacy.
4. Actual public health issues.
5. Actual issues of nursing care.
6. Actual issues of physical medicine and rehabilitation.
7. Actual issues of health care and pharmacy administration.

Conference materials will be published in the 2nd issue, 3rd supplement of the journal of the School of Health Sciences and Public Health „Caucasus Journal of Health Sciences and Public Health“ in the form of scientific articles, literature reviews and abstracts.

Students' works will be evaluated by experts invited at the conference. At the end of the conference participants will be awarded memorable certificates.
